1 Opening of the meeting

The Chairman of the Board of Directors gave a review of the year 2020 and introduced the activities of the Board of Directors in 2020, presented the current members of the Board and Per Lindberg who had been proposed as a new member of the Board.

2 Calling the meeting to order

As proposed in the notice convening the general meeting, Attorney Pekka Jaatinen served as the chairperson of the meeting and also prepared the minutes.

The chairperson explained the meeting arrangements and noted that the meeting was held in accordance with the Temporary Act in such a way that shareholders and their proxy representatives could participate in the general meeting and exercise shareholder rights only by voting in advance and by presenting counterproposals and questions in advance.

The chairperson noted that the Company had provided shareholders the opportunity to participate in the general meeting by authorising a proxy representative designated by the Company to represent the shareholder in the meeting. The proxy representative was Attorney Teresa Kauppila from Castrén & Snellman Attorneys Ltd.

The chairperson noted that the Company had also arranged an opportunity for shareholders who have registered for the meeting to follow the meeting online via a webcast. The chairperson pointed out that only following the meeting via webcast is not considered as official participation in the general meeting and that it did not make possible for shareholders to exercise their rights in the general meeting.

The chairperson further stated that the proposed resolutions were included in the notice convening the general meeting. In accordance with the Temporary Act, shareholders had been provided the opportunity to make counterproposals and ask questions pursuant to chapter 5, section 25 of the Companies Act in advance. No counterproposals or questions had been received by the deadlines given in the notice convening the general meeting.

The chairperson also noted that since shareholders and their proxy representatives were only able to vote in advance, voting had been carried out on all of the resolution items on the agenda. In accordance with the Temporary Act, it had been possible to oppose the proposals in every item without making a counterproposal. A shareholder could also withhold from voting on one or more items, in which case said shareholder's shares were deemed to not be represented under that agenda item. Therefore, the number of shares represented under each agenda item can vary.

Summaries of the results of voting were attached to the minutes under each resolution item of the agenda.
